ART LEAGUE OF HILTON HEAD PRESENTS

SIMPLY Southern

RECENT PAINTINGS BY MARGARET CRAWFORD

What do you like about the South? For the artist, Margaret Crawford, she can remember the salty air and peacefulness since the late 70's. Before becoming a Lowcountry resident, Crawford studied at the Pittsburgh Art Institute, Carnegie Mellon University and The Art Students League in New York City. With

over twenty solo exhibits on her resume, you do not want to miss this exhibit and its ode to the South.

Simply Southern promises to highlight the uniqueness of the Lowcountry and our island. Where else in the world can you see marshes, beaches, oysters, historical sites, majestic live oaks all on one 42 square mile island? Crawford's exhibit will show a variety of media. "Flowers work best for me in watercolor. My "big sky" paintings are best in acrylic. Also, included in this show will be some food paintings that will be a bit quirky and fun" states Margaret.

See what so many of us love about the South this November. *Simply Southern, Recent Paintings by Margaret Crawford* will be on exhibit at Art League Gallery, November 6 - December 1, 2018. An artist reception will be held on Wednesday, November 7, from 5 - 7pm.

MESSAGE FROM THE PRESIDENT

I have thoroughly enjoyed my terms as President and want to thank all the artists, volunteers, staff, donors and partners that have made it such a positive experience. We have made tremendous strides due to so many individuals. Our new board, led by Pat Batten, is very strong and already has strong programming in place at both the Academy and the Gallery. They are hitting the ground running and I look forward to seeing what is next for Art League of Hilton Head and our community!

My final responsibilities as President included a presentation to the Accommodations Tax Advisory Committee concerning our [2019 ATAX application \(link\)](#) and the [Presidents Annual Report \(link\)](#) at our Membership Annual Meeting. I hope you enjoy reading these reports as you get a better understanding of just how much is being done by our organization, inspiring the visual arts for our community and its visitors through education, exhibition and partnerships!

LANDSCAPE PAINTING IN OILS

with GUEST Instructor TJ Cunningham

WHEN: Monday - Wednesday, Nov. 12, 13, 14, 2018
from 9:30am until 3:30pm

WHERE: Art League Academy, located south-island at
106 Cordillo Parkway in Hilton Head

PRICE: \$350 Non-Members; \$315 Art League Members

For a minute, consider the three most common genera of representational art: still life, portraiture and landscape painting. Of the three, landscape painting is typically regarded as the easiest because it tends to be a more forgiving subject. While this

may be true in some instances, the landscape does offer many distinct challenges. During this landscape painting class, TJ Cunningham will focus on the two challenges that he considers the greatest impediment to a successful landscape painting; how to create atmosphere and how to sculpt the landscape so that the trees seem vertical while the surrounding landscape appears flat.

This entire class will take place in the safety of the studio. Unlike plein air painting, where speed and direct observation are critical, the painting time in this class will address the ideas more thoroughly behind a good landscape painting. TJ will begin each day with a presentation of his working process. The attendees will also receive clear instruction on how to simplify the landscape in an expressive way. Painting quality, value pattern, and abstraction will all be discussed as valuable tools when used in landscape painting.
