ART LEAGUE OF HILTON HEAD PRESENTS

**CraftHiltonHead2018**  
6TH NATIONAL JURIED FINE ART CRAFT GUILD EXHIBITION

*CraftHiltonHead2018*, Art League's 6th National Juried Fine Arts Craft Guild Exhibition, which occurs once every two years, will showcase over one hundred 2 and 3-dimensional craft works of featured artists from around the country, competing for over

\$4,000 in cash awards. The selection of the finalists will be by two nationally-recognized jurors, Linda Bloom and Patricia Willcox.

Linda Bloom's career has spanned over 30 years in the visual and performing arts. She has served as a working artist, public school art educator, cultural arts director, gallery director, art historian, museum curator, public art administrator and arts center development director. She previously served as juror of *CraftHiltonHead2012*.

Patricia Willcox is an award-winning 3-dimensional multi-media craftsman, teacher, and entrepreneur. Her work as a costume designer for the past 40 years in movies and on the theater stage has greatly influenced her own fantasy figurative art in fiber and clay.

This exclusive presentation of a wide variety of imaginative crafts will be on display and for sale December 4-29, 2018. An Awards Reception will highlight the exhibition on December 5, 2018, from 5 to 7pm. It's thanks to our terrific staff, board and volunteers that we are able to move in

this direction. We end this year with our bi-annual National Juried Fine Art Craft Guild exhibition - an opportunity for our artists to showcase their work with artists from all over the country. AND, an opportunity for us to find that perfect gift for someone special (or just to treat ourselves!).

Our new mission statement says it so well - "inspiring the visual arts for our community and its visitors through education, exhibition and partnerships". No one does it better than we do! I'm excited to work with our new board to continue the momentum.

DONATION COLLECTION

## Advanced Artists of Allendale our Featured Artists for August 2019

In the past, Art League Academy has been supportive of the artists at Allendale Correctional Institution. A new program at Allendale has been developed, Advanced Artists of Allendale. We are pleased to announce they will be the featured artists at Art League Gallery for August 2019.

For these men, art has brought "Transcendence" (name of their show) to their lives. It has been a way to rehabilitate them and has brought purpose and hope for their futures. As exciting as the upcoming exhibition is, as it will bring national attention to the group and to Art League of Hilton Head, the program is dependent upon donations. Becoming professional artists is the dream of these men, many of whom hope to have a career in the art industry when their time has been served. Sadly, art supplies are expensive and many of them have no means to obtain supplies.

### YOUR UNUSED SUPPLIES COULD REALLY HELP!

Advanced Artists of Allendale are in need of:

- New or gently used art supplies, including but not limited to: paint, brushes, canvases, paper, etc.
- Reference Photos - this is a tremendous need since they have no way to photograph
- Art Instructors - if you are interested in going to Allendale and teaching a lesson, please contact Art League Academy.
- Cash donations to help purchase supplies and to offset framing costs for their upcoming show

You can bring your donations to Art League Academy, open Monday through Friday from 10am to 2pm or make arrangements with Amy to bring them at a different time.

**Thank you in advance for your generosity and know it is appreciated!**

"The meaning of life is to find your gift. The purpose of life is to give it away," -Pablo Picasso

Please consider helping these men be able to "give their gift away."
