Debi West is a nationally board-certified educator with a specialist degree in art education and has been teaching children throughout the visual arts for the past 25 years.

Join us for this exciting workshop where students will "travel" the globe learning about the art created in each region. From North and South America, to Europe, Asia, Australia and Africa, students will create art inspired by places around the earth. Students will leave with a final portfolio that is a literal "Passport" of learning through the visual arts.
