

# Dan Graziano Workshop

## Suggested Supply List

- Portable easel or tabletop easel with a paint mixing palette (Masterson plastic artist palette is a good option).
- Solvent container with locking lid.
- Cup or container for medium (if using a medium).
- Oil Paint (any brand of good quality paint). Suggested colors:
  - Ultramarine Blue
  - Manganese Blue
  - Sap Green
  - Burnt Sienna
  - Burnt Umber
  - Alizarin Crimson
  - Cadmium Orange
  - Cadmium Red Light
  - Cadmium Yellow Medium
  - Yellow Ochre
  - Titanium White
- Brushes
  - I recommend hog bristle or good quality synthetic brushes for oil or acrylic painting. Bring a mixture of Filberts, Flats, and Rounds in various sizes (4, 6, 8, 10) with one sable rigger (liner). I use Robert Simmons Signet series (hog bristle) and Rosemary & Co. Ivory series (synthetic). **Don't bring worn out brushes.**
- Panels
  - You will use 3 to 4 panels per day. Your choice of panel sizes ( 6x8, 8x10, 9x12) – no larger than 9x12 for this workshop. Please bring panels rather than stretched canvas and avoid panels with too "slick" a surface.
  - Optional: I tone my panels with a thin wash of Liquitex Red Oxide acrylic paint wiped on with a moist paper towel.
- Medium (optional)
  - Graham's Walnut Alkyd Medium- a fast drying and non-toxic product or Gamblin Neo Megilp.

- Solvent
  - **ODORLESS** mineral spirits (Gamsol or Turpenoid). Do not bring hardware store turpentine - it is not healthy for you or the people around you.
- Paper towels and plastic grocery bags for used paper towels
- Painting clothes (please wear clothing that you don't mind getting a little oil paint on).
- Optional:
  - disposable gloves
  - wet panel carrier
  - bag lunch, bottled water
